A detailed black and white architectural floor plan of a building. The plan includes a large rectangular room on the left with a small square extension at the bottom. To the right of this is a long corridor with several doors and a small room at the end. Further right is a large hall with a high ceiling and a balcony-like structure. At the far right is a kitchen area with a sink, stove, and refrigerator. A bathroom is located near the kitchen. The plan is drawn with fine lines and cross-hatching for shading. A dashed line with a black 'X' at the top left indicates a break in the original document. A solid black line with a dot at the bottom right indicates a continuation or a specific point of interest.
